## Jackfruit Small Vase

1200-0287

Overall: 6.75"h x 4"w x 4"d

Finish: Green/Gold

Materials: Bronze

Item Weight: 3 lb

Our Jackfruit decorative vessels include the Jackfruit Small Vase that is made from a lost-wax process so it reads as if it is covered in the skin of the jackfruit. The inside of each bronze vase is a brilliant gold made of polished solid bronze, which will need to be cleaned from time to time to maintain its sheen. These green decorative vessels are water tight so they will not leak.
