Cord: 13' Black SVT

The perfect combination of natural and industrial materials, the Hightider Pendant has a recycled glass shade and wrought iron hardware in a French black finish. The Abacá rope that is wrapped around the neck of the nautical pendant brings it a hint of texture. Clarence Mallari's original inspiration came from the small bells used by people selling ice cream in the Philippines. We also offer the Hightider as a wall sconce, a multi-pendant and a chandelier.
