*The out of this world shape of this table lamp is reminiscent of a mission to Mars, meshed with a gatsby era soiree. The Acropolis table lamp boasts a generous proportion in its Aged Brass shade. Two 100w medium base bulbs provide ample illumination from the light source. Coupled with an aged brass frame and marble base accent to complete the look of this luminary, the Acropolis lamp is perfect for any modern bedroom, transitional entryway, or mid-century modern living room ensemble.*
