*Pairing farmhouse flair with modern design, the Basilica table lamp is a perfect addition for any rurally inspired space. The base of the lamp features a cement foundation fitted with the focal point of the design, an open aired orb. The orb is formed to include several more geometric accents, including additional circles and varying polygons, completely covered in a tightly spun hemp rope, adding an organic feel. Aged Brass accents and a linen shade offer another dash of rustic charm, all while complete the look of this table top beauty.*
