3 Light Bath Vanity

The coastal influence on the Kleine collection's bold design is obvious. The transitional style is a combination of a traditional silhouette with a modern chrome finish. For a timeless appeal, these vintage-industrial fixtures feature pivoting truncated shades and cool retro details. The exposed bulbs are on full display. Mount the simple backplate on the wall or ceiling, and angle the lamps to suit your needs. These versatile nautical-inspired fixtures are a great fit for lots of styles.
