

EW71311

Specification Sheet

Exterior WallSconce

GY - Grey

Other Finishes:

BK - Black

Product Descriptions

This family of exterior wall-mounted fixtures is available in a variety of geometric forms: circle, square, and two different rectilinear configurations. Light is directed downward from a recess, and the incline allows the glow to radiate gradually. Vanishingly thin and ideal for egress, courtesy, and grace lighting. Optional stone inlays offer additional opportunities for customizing to complement different wall surfaces.

Product Details

High system efficacy
 Low total life cycle cost
 No visible flicker AC operation
 ETL Listed
