

Sphere Flush Mount LED ADA T20

DESCRIPTION

A square back-plate is in perfect contrast to the spherical glass shade in the wholly modern silhouette of the Sphere ceiling light from Tech Lighting. Offered in the Tech Lighting Satin Nickel finish, the Sphere Flush Mount is an elegant solution to creating light in your space. Install with multiples to further enhance your design. The proprietary warm color dimming LED module gradually changes color from 3000K to 2200K as it dims to mimic the soft glow of traditional halogen lamping. LED includes 15 watt 600 lumen 90 CRI warm color dimming 3000K-2200K LED module. Dimmable with a standard incandescent dimmer or low-voltage electronic dimmer. May also be mounted as a wall sconce. ADA compliant.

WEIGHT

2.5-3lb / 1.13-1.36kg ±
