\*Preliminary figures

CH - Chrome

### Product Descriptions

Inspired by steel construction beams the round opal tube contrasts with the perpendicular metal planes of the wall mount. The cylindrical LED light intersects and is captured by the thin rectangular projection, spreading the illuminance further from the surface. The complementary geometric forms produce a subdued yet decorative effect.

### Product Details

- High system efficacy
- Low total life cycle cost
- No visible flicker AC operation
- ETL Listed
- 5-year LED and fixture warranty
- Complete warranty terms located at: [www.kuzcolighting.com/warranty](http://www.kuzcolighting.com/warranty)

Utilizes our patented Driverless LED Light Engine technology - connects directly to AC, no external driver needed.

- Available only in chrome metal finish with a white opal glass diffuser. Can be mounted vertically or horizontally.
- Dimmable with ELV dimmer (not included)
- Custom options available
